MR. POGGELTHORPE.

BY HENRY WARD BEECHER,

From the New York Ledger. It is not wise to make sport of men. If it does not hurt them, it surely will injure us. "To make game" of any-

Wanity, especially, is lawful prey. It United States is well astablished, and would seem, too, as if good natured similar indications are met with in which he occasionally failed to give titles which he occasionally failed to give titles till they came to him in proofs. In one till they came to him in proofs. In one till they came to him in proofs. In one till they came to him in proofs. hanter was a natural penalty appointed for sin of that kind. Vanity is an in
These facts have excited much specutial they came to him in proofs. In one case, I recollect, the compositors, when case, I recollect, the compositors are case, I recollect, the case, I recollect, I rec discreet lust of praise. It is well paid lation among geologists, and many sug-

factorum of M Ambro'se, one of the functionaries of the commune. M. Ambro'se and day at which tea is taken in different countries varies with the broise, though some sixty years of age, custom of each nation, as does most DR. JONES was not insensible to the tender passion, and for a month had laid siege to the drink it at all times, and keep the pot on wife of Jerome, the clerk. The bouquets and sonnets arrived in such profu. others consider it almost sacrilege to LOUISVILLE HOTEL, sion that they at length attracted the take it at any other hour than in the notice of Jerome, who jealously inquired evening and at tea, while many say with of his wife respecting them. She con- Gray, fessed that M. Ambroise had for sometime past annoyed her by his numerous presents, but urged that she was unwilling to speak about the matter, lest Jerome should lose his situation; Jerome, ac. getically taken on an empty stomach, knowledging the justice of this plea, de. and without any other food .- Dr. J. C. cided to repay his patron for his atten-tions to his wife. The next day the Falstaff presented himself at the residence of his clerk, bouquet and sonnet in hand. He was just endeavoring to ticle in the London Bookseller, entitled compensate for his lack of beauty by the | " A Reader's Experience : vigor of his eloquence, when a step was I remember a somewhat ludierous anheard on the staircase. "It is my hus- ecdote related of the late Theodore band," cried Alphonsine. The worthy Hook. In the printing office of Mr. functionary was inclined to dispute this, Bentley, brother of the publisher, there as he had just sent Jerome on a nine- was an old compositor who went by the miles errand; but Alphonsine knew full nickname of "Twaddle." In complet-Falstaff was quickly bundled into a large the copy was given out in small "takes" box which lay in the chamber. Jerome or portions, to each of one of which the entered with two peasants, who took up compositor's name was, as usual, ap-the box and laboriously carried it out of pended. When the proof was sent out the door. Alphonsine made a precon- to the author, there appeared a line certed show of questioning Jerome on drawn down the margin of a certain page this proceeding, but he answered that he with the word "Twaddle" at the side had determined to sell the box, which Mr. Hook received his proof, read it, was an encumbrance, or if he could not und brought it back to the office with find a customer, to throw it into the the remark that, "though he was not river. The box was brought into the above criticism, he did not think the little market place, and Jerome, mounted reader was quite the man to make it. on the lid, commenced a sort of auction:
Some of the crowd that gathered wished to see the interior, but Jerome assured them that it was empty, and that they might have everything they could find in the inside. Thirty sous was the first bid, and little by little the price of the man to make it.

Mr. Bentley sent for the reader, who explained the circumstance to the novelist. Mr. Hook heard him patiently, but was by no means satisfied with the explanation offered. "It is very ingenious in you, Mr. Reader," said he, "to explain away the matter in that fashion. I have bid, and little by little the price of the away the matter in that fashion. I have some of Reg stration for She cheapost crept up, until it reached six read the passage over and over again, seems francs. "What! only six francs for a and, though it is certainly not very chest like this?" cried Jerome, in true brilliant, I don't think it deserves to be auctioneer style, " I will throw it into called twaddle !" The reader protested. the river first." At length the total and as ared him that the man was so FOR SALE BY reached seven francs, and then Jerome, called in the office, and offered to send
